

# Ending Painful Journeys: how can we improve journeys to hospital?

coming back is terrible. We have to wait for the bus

## Peter's Painful Journey

We hear from thousands of older people who struggle with travelling to hospital, such as Peter, 79, who had to spend £720 in 18 months on taxis because there's not a direct bus.

Stories of Painful Journeys

## Painful Journeys

Why getting to hospital appointments is a major issue for older people

**What do you think would  
make a difference?**

**How we can achieve  
change together.**
